CONFERENCES**

You are invited to attend EaPEC 2019:
'Connecting with Culture'.

Policy makers, researchers, students and experts on networking, cultural heritage, and high-performance computing for research and education are welcome to register for the 4th Eastern Partnership E-infrastructure Conference, EaPEC 2019.

Organised by the EaPConnect project, EaPEC 2019 will be hosted by IIAP NAS RA (ASNET-AM) in Yerevan, Armenia, on 25-26 September. Held at the Matenadaran Museum of ancient manuscripts, where better to explore the conference theme, 'Connecting with Culture'?

As part of the EaPConnect project's goal to interconnect the research and education communities in the EU and Eastern Partnership regions, EaPEC 2019 will support community building and serve as a platform for collaboration on policy and research, with a focus on e-infrastructures for Open Science.
